

## Congratulations on your engagement to be married!

Participation in an approved Marriage Preparation program is one of the requirements for the Rite of Matrimony in our Diocese. We ask you not think of this process as a “requirement” but instead as preparation for the most significant event of your life. Professionals require schooling, training, and continuing professional education. We hope to help provide you with tools for the joys and challenges of married life.

The marriage preparation team looks forward to meeting you and spending a rewarding and vital time of preparation with you.
